CONCLUSION

LYDIA BACHMAN WANTED TO RENOVATE HER FOREVER HOME AND KEEP IT IN THE CRAFTSMAN STYLE. FOR HER, I PAINTED THE WALLS A WARM GREEN, WHICH YOU CAN SEE IN A LOT OF CRAFTSMAN RESIDENCES, WHILE STILL GIVING IT A MODERN FEEL WITH VERY SLEEK AND CLASSY APPLIANCES. I PAINTED THE TRIM A DARK, ESPRESSO BROWN TO MAKE IT FLOW SEAMLESSLY WITH THE BEAMS THAT ARE TO BE ADDED TO THE CEILING. GOLD LIGHTS BRING WARMTH INTO THE HOUSE, AND THE COOL TONED FLOOR BRINGS A BALANCE, TYING IT ALL TOGETHER.
